- Preparation of code projects and documentation;

MY LIFE PHILOSOPHY

"If you can't do it, practice until you can. If you can do it, practice until you can do it perfectly. If you can do it perfectly, practice until you can do it perfectly every time."

MOST PROUD OF

🏆 **Academic Tutor**
In college I was monitor of Algorithms II, Data Structures I, Data Structures II, Software Engineer, Software Project and Computer Organization

STRENGTHS

Hard-working   Eye for detail   Resilient   Self-learner   Communication

- - -

Java   Kotlin   JavaScript   Python   Spring Framework   Node.js   Django   React.js   Angular

LANGUAGES

Portuguese   Native

English   C1

EDUCATION

PgD in Java

Federal University of Technology - Parana

📅 Mar 2022 – Jul 2023

B.Sc. in Computer Science

Federal University of Goiás

📅 Feb 2014 – Dec 2018

Software Developer

Nutrien Soluções Agrícolas

📅 Jul 2020 – Apr 2021   📍 Rio Verde, GO, Brazil

Main activities:
- Building and maintaining integration systems;
- Working on agriculture sector projects;
- Agile team working with Kanban using Jira for management;
- Stack and tools: Java, JavaScript, Python, PL/SQL, AdvPL, Django, Node.js, React.js, React Native, PyQt, MongoDB, MySQL, PostgreSQL, Oracle Database, Docker, Portainer, and Kubernetes;
- Systems: Totvs Protheus, Senior, Simple Sync, Simple Field, Simple Sales, and Fretefy;

Programming Instructor

Senac

📅 May 2015 – Dec 2020   📍 Jataí, GO, Brazil

Main activities:
- Instructor of Java, Visual Basic for Applications, HTML, CSS, JavaScript, and Microsoft Excel;
- Working on educational sector projects
- Preparation of code projects and documentation;

Junior Software Developer

J. Cruzeiro

📅 Jul 2018 – Jul 2020   📍 Jataí, GO, Brazil

Main activities:
- Building and maintaining websites, systems, and indoor infrastructure;
- Working on construction industry projects;
- Stack and tools: Java, Spring Framework, PL/SQL, Oracle Database, JavaScript, HTML, CSS, and React.js;
- Systems: ADM (Santri Sistemas), Senior, Sienge, Linx Degust, Zabbix, Windows Server, Active Directory, Samba, Citrix XenServer, XenApp, XenDesktop, Director, Netscaler, pfSense, Sophos XG, and Openfire Spark;
- Hardware: UTM Sophos, IBM Flex System x240, IBM DS4200, IBM V3700, IBM Tivoli, and IBM TSM3100;

A DAY OF MY LIFE

- Job
- Sports
- Spending time with family
- Sleep
- Series, movies, games, fishkeeping and music
